

# Informed Consent Form

**Study title: Supporting forced migrant resettlement with a location based service**

**Revision: 2**

Dear Participant,

thank you for your participation in the study.

**Researcher(s):**

Lucas Braun <lucas.braun@uni-muenster.de> (Student of the Erasmus Mundus Master of Science in Geospatial Technologies)

**Purpose of the study:**

The purpose of this study is to see how a location based service can reduce social isolation among forced migrants in Münster.

**Procedure:**

I will ask you to answer open questions about your experience as a newcomer in Münster. I will request your consent to audio record the interview. Later, I will use your feedback to determine the usage requirements for a location based service.

**Duration:**

45-90 minutes

**Potential risks:**

There are no risks when participating in this research beyond those experienced in everyday life.

**Privacy:**

Original data obtained from this study will be anonymised and only processed in aggregate. In such form, it might be published in academic journals, presentations or other media, but never in a way that would allow individual identification. One week after the completion of the study it might no longer be possible to retract your data from such aggregated analyses.

**Benefits:**

You will have the opportunity to help shape a new service that supports forced migrant resettlement. If you are interested, I will also share the study results with you.

You are free to stop, quit the study and retract your data **at any time during the study** with no further consequences.

**If you have any questions, please ask them now.**

For further questions, complains or issues, please contact the institute's Ethics-Committee: <ifgi.ethics-app@uni-muenster.de>.
